Presidents Message

The season is quickly coming to a close and I would like to thank the coaching staff and volunteers for making this another successful season. I would like to thank everyone who has helped and supported me this year especially Anne Mollard who has gone above and beyond again this year as past president due to the fact that we did not have a vice president again. Please consider taking the opportunity to volunteer with our club; there are a variety of ways in which you can become involved. This club cannot function without volunteers! Please feel free to contact myself or anyone else on the executive if you are interested in helping.

Program Assistants

Thank you to all of our program assistants! We appreciate the help you have given this season.
